ABOUT US

KuberAgro Industries: A Legacy of Excellence in Basmati Rice Production

Since its inception in 2017, KuberAgro Industries has been at the forefront of delivering premium-quality Basmati rice. With roots that span four generations, we carry forward a rich legacy of excellence in agricultural practices and food grain production.

Balancing tradition with innovation, we honor time-tested methods while integrating advanced techniques to ensure exceptional quality and ethical trade practices. Our state-of-the-art production facility is equipped with cutting-edge technology from globally renowned manufacturers, including:

- SATAKE (Japan)
- CATERDAY (USA)
- BUHLER (Switzerland)
- FOWLER WESTRU

At KuberAgro, every grain reflects our commitment to quality, precision, and the values of fair trade.

OUR MANAGEMENT

Kuber Agro Industries: A Legacy of Leadership and Excellence Rooted in four generations of expertise, Kuber Agro Industries thrives under visionary leadership, earning a trusted reputation for producing premium rice grains. Anchored by values of quality, integrity, and ethical business practices, the company fosters strong partnerships with farmers, customers, and industry collaborators. Innovation and a forward-thinking mindset drive Kuber Agro's relentless pursuit of excellence. By integrating new insights and refining processes, the company continuously sets new benchmarks in rice production. Poised for growth, Kuber Agro Industries is committed to leading the sector with integrity and unmatched quality.

COMPANY OVERVIEW

Kuber Agro Industries: Redefining Rice Production

Kuber Agro Industries, with a legacy spanning four generations, is committed to revolutionizing rice production by delivering the finest quality Basmati rice. Combining traditional expertise with cutting-edge technology, we set global standards in quality, innovation, and sustainability.

Situated in the fertile Sirsa region of Haryana, our state-of-the-art facility is equipped with advanced machinery from renowned global brands. Every step of production—from paddy drying to packaging—is optimized for precision and excellence.

Rooted in sustainable practices and ethical trade, we prioritize community growth and trust, positioning Kuber Agro as a leader in India and on the global stage.

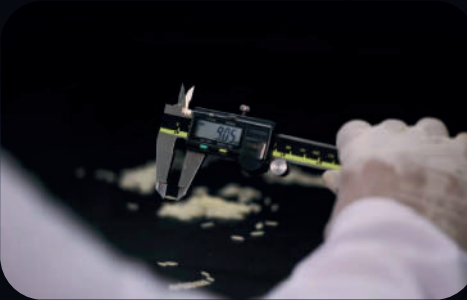

OUR VISION AND MISSION

Kuber Agro Industries: Vision for a Healthier Tomorrow At Kuber Agro Industries, our mission is to build a healthier nation by ensuring the consistent supply of premium-quality Basmati rice. Guided by unwavering values of honesty, transparency, and integrity, we embed these principles into every facet of our operations with pride. With a focus on both expansive export markets and the growing B2C sector, we aim to bring our trusted products directly to consumers. By embracing innovation and strategic market approaches, we are committed to forging stronger connections with households and communities.

Most Trusted Rice Brand of the Year: A testament to our unwavering commitment to quality and customer satisfaction.

GROWTH @ KUBER

Kuber Agro Industries: A Year of Remarkable Growth

At Kuber Agro Industries, growth signifies more than expansion; it embodies our dedication to excellence, innovation, and leadership in rice production.

Enhanced Processing Capacity: Upgraded facilities now boast a paddy drying capacity of 15 tonnes per hour, enabling us to meet rising domestic and international demand while maintaining top-notch quality.

Cutting-Edge Technology: Incorporating advanced machinery from SATAKE (Japan), CATERDAY (USA), and BUHLER (Switzerland) ensures precision in every stage of production, from grading to polishing.

Direct-to-Consumer Expansion: Strategic entry into the D2C market has strengthened brand loyalty, making Kuber Agro a trusted household name.

Social Responsibility: Our CSR initiatives empower sustainable farming, support rural healthcare, and uplift the communities that are integral to our success.

This year's achievements highlight our commitment to quality, technology, and community, positioning us for sustained success in an evolving market.
